

American Crystallographic Association
2010 Travel Grant Application

Limited funds are available to help students and young scientists attend the **2010 Annual Meeting of the American Crystallographic Association**, in **Chicago, IL, July 24-29, 2010**. Preference will be given to those presenting a lecture or poster. To apply for assistance, send this completed form and a supporting letter from your research advisor. The **deadline for applications is March 31, 2010**; no exceptions. Students and postdoctoral associates within 10 years of their PhD may apply. If you are unsure that you will be able to attend the meeting, submit the application; there is no penalty if you have to withdraw the application. Funds are non-transferable. Awards will be distributed at the ACA Registration desk in Chicago.

Family Name _____
