

# SCHOLARONE™ USING MYITINERARY

- The Myltinerary app is available as both a native iOS (iPhone/iPad) app through the iTunes App Store, or as a Mobile App for all major mobile devices (iPhone/iPad, Android, and others).
- Once either version is downloaded to your device, it can be run without the need for an active Internet connection.
- You can sync an itinerary you create online with the app by entering your unique itinerary name.
